

## Donner Museum Program Will Be Completed Today

If all events tentatively planned are included in the program, the dedication of the new Emigrant Trail Museum at Donner Memorial State Park on September 8 and 9 will be one of the most outstanding and spectacular events ever held here.

Final details of the program are being worked out at a meeting of the Truckee Donner Chamber of Commerce committee today following a preliminary meeting at Smart's last Friday with Chamber Manager N. F. Dolley presiding.

A big feature of the dedication program will be the participation by the Truckee Donner Horsemen. Directors Frank Snyder and Gene Stark told the committee of the plans of that organization. They include a wagon train trip from Reno, starting September 6 and arriving at the Prosser park for a public breakfast Sunday morning.

Following the breakfast, the group will join the parade, which promises to be spectacular with scores of organizations, including various horsemen's groups, the Clammers, historical societies, square dancers and other picturesque groups, participating. That same evening the horsemen will sponsor a barbecue at the park.

Charles Jones and Ronald Lawrence, representing the Placer County Sheriff's mounted posse, told the committee their group would be here Labor Day and make a three-day trip back to Auburn, advertising the event, and will return for the dedication weekend festivities.

Robert Payne of Nevada City, a notable historian and authority on historical events, who will officiate as master of ceremonies at the dedication, said that that part of the program will be brief, dignified and impressive with carefully selected speakers.

Stead Air Force Base will be contacted to determine if they can supply a color guard and perhaps a band for the occasion and Dolley said an effort will be made to secure the band from Carson City Indian School.

Carson White suggested, and the idea was adopted, to obtain western hats and perhaps other suitable garb to be sold in advance of the celebration to promote the affair and get the community in a festive mood.

Mel Whitaker and Jack Stowe, representing the state division of beaches and parks, are working closely with the committee and promised all possible aid, including providing for the band stand and other facilities necessary.

Both Governor Edmund G. Brown of California and Governor Grant Sawyer of Nevada have indicated they will attend the dedication services, heading a large group of state dignitaries.

A complete program of scheduled events is being worked out by the committee and will be sent to various state and national publications for wider distribution.

## Horsemen Plan To Hold Ride Saturday

At a meeting of the Truckee Donner Horsemen Monday evening members viewed the new shoulder patches which will be the insignia by which the association will be identified. The patch was designed by Sgt. Frank Snyder, a director of the group.

Plans for the queen contest, to terminate in September with the wagon train, were discussed.

Mrs. Dorothy Fordham, representative of the Wyethia Club, was a guest at the meeting. Mrs. Fordham invited the Horsemen to contribute to the club's art show during the July 4 holidays in the way of a street dance and parade.

The Horsemen are planning to be well represented in the Reno parade, June 16, by a float prepared by the junior members plus horses and riders from both the junior and adult divisions.

There will be an open ride Saturday, June 9. Anyone interested in participating should contact Lloyd Van Sickle at the Martis Valley Stables. The group will congregate there at 8 a. m. with departure scheduled for 9 a. m. That same afternoon at 1:30 p. m. the junior members will meet at the same place to plan their float, to be built upon a truck donated for the occasion by Cal McKinley, a director of the group. The junior meeting is an open affair and interested juniors are invited to attend whether or not they are members.

The next meeting of the Truckee-Donner Horsemen will be June 11, 7:30 p. m. at the barn of the Martis Valley Stables. This will be an open meeting and anyone interested in the group and the season's activities will be welcomed.

## KATHLEEN YORK IS WED IN RENO RITES

Kathleen Avonne York became the bride of Richard Stenberg at a double ring ceremony performed June 1, at midnight in the Sunset wedding chapel of Reno. The date was a particularly important one for the young bride as she had also graduated earlier that day from the high school at Greenville. For the nuptial service Mrs. Stenberg chose a suit ensemble in shades of beige and brown, completed with an orchid corsage.

Only members of the couple's immediate families attended the rites and the dinner which followed. The newlyweds have established their home at Quincy.

Out of town guests included Mr. and Mrs. Russell York of Greenville, parents of the bride; Mrs. R. Stenberg of Quincy, the bridegroom's mother; grandparents of Mrs. Stenberg, Mr. and Mrs. Art LeCuyer of Utah and Mrs. Naomi Verrelli of Oakland; Mr. and Mrs. Lauren Russell, Randy and Linda of Truckee.

## PLACER ENDORSES SPECIAL DEER HUNT

AUBURN—The board of supervisors has endorsed antlerless deer hunts in the western section and North Lake Tahoe areas of the county.

The board followed a recommendation of the state fish and game department and the local county fish and game committee for the hunt during the regular buck hunting season. There will be 50 permits issued in the western section and 275 in the Lake Tahoe area at a statewide drawing.

California's forest products industries had an annual payroll of \$511,000,000 in 1958. Help prevent forest fires.

## DONNER DOINGS

By MARTHA PANKOKE  
Phone LUther 7-3076

Well Hi! Let me introduce myself as the new reporter for Donner Doings. Martha Pankoke taking over for Virginia O'Bear who for so long and so well handled this column. Since this is my first attempt since Tattle Tales, hope you all bear with me and give out the news. We are always interested in local goings on, and anything you are able to report will be greatly appreciated. Call me at

LUther 7-3076 for any high brow or low down you might think will be of interest to our readers.

Don't know about you, but am glad at last, to see June is busting out all over. The familiar ring of hammers pounding at the Donner area is a welcome sound. Flowers at last peeking through the long winter snows, and fishermen dotting the lake, is truly a welcome sight. Speaking too soon? Hope not.

With all the exciting talk of the junior-senior prom now over, and the long awaited graduation day at hand, the young fry are really having a time of it. In my own household that graduation day is all we

seem to hear. Being sort of a sad occasion and yet glorious, with the graduates taking on an altogether way of life. Their life is just beginning according to them, but oh boy, has life ever crept up on the parents. But it has been fun, hasn't it?

Sooo... what's cooking on Donner Lake these days? Fishing has been quite good according to the guests at Donner Pines Motel. Mackinaw and kokanee, and the blessed little planter trout have been more than cooperative, according to Lena and Bud Pollock. Dave and Bob, son and husband, respectively, have been having their share of fun on the Truckee River near Boca. They seem to be having a contest going as to which one gets the best catch, but so far Dave has his father beaten with a six pound 27-inch German Brown to his credit. Some of Bob Roth's friends who spent some time here from Sunnyvale, really had good luck with the Macks. Art Mori caught his share too, but I am really afraid to ask Art just what he did catch. We can always tell when Willie Curran, my across the street neighbor gets a good one, such goings on you never heard.

Of interest to all who know and

like her, is the news of Francine Carlisle's marriage to Dan Olmstead in Reno June 2. She is the gal that has the Donlac coffee shop and Tom and Jerrie had a small reception for her after the ceremony. Best wishes and good luck, Fran and Dan. Many visitors are flitting in and out of Donner these days, and we had our house guest this weekend Miss Julie Knoff, now of Auburn a former class mate of daughter Diana. Diana entertained her with a pizza slumber party on Sunday with a few of the other eighth grade girls. The Charles Widenmann family was here over the weekend from Vallejo, sprucing up their summer home, and Bob and I managed to compare notes on our youngsters, however with his ten and our two we were just a little outnumbered.

So much for the comings and a little of the "goings" The Anthony St. Claires have just arrived back from a two week jaunt to Seattle and Vancouver, B. C. While there they attended the Worlds Fair and visited relatives. Claudia tells me that at this time of the year the scenery is especially beautiful with masses of flowers just everywhere. Mr. and Mrs. Maxie and Mrs. Hal Gilson drove to San Francisco Monday, where they visited Hal, who has been a surgical patient at Moffit Hospital. Coming and going, is our own Mrs. Roberson who has had her share of both with the eighth grade picnic on Saturday and the faculty picnic on Sunday at her lovely river home. Don't

know what we would do without you, Ruth. Last Thursday, Gil Gilson entertained a group of girls from the hospital staff to a bridge session at her home. Sounded like fun.

Rufus Fields has been a patient at Tahoe Forest Hospital the past week. With Sadie just getting out after her illness there, these two are keeping the hospital busy. Better luck soon, I hope.

That's all there is, there ain't no more, the news this week was slim. So let me know your news-bit, I'll try to cater every whim. Mr. Barrett is the boss though and so I'm never certain, just when or where he'll cut a line and give this gal the curtain. Ugh.

After that little tid-bit, are you sure you don't want your column back, Virginia?

## NORTH TAHOE BRIEFS...

By BETHEL  
Telephone Liberty 6-3842

Eleven hundred and eight persons received the Sabin oral vaccine for polio Sunday at the KO polio drive sponsored by VFW Post 7077 and Auxiliary. Dr. Alan Sklar of Brockway was chairman for the drive. Assistants were Noble Murray, Harvey Martin, post

commander, Mex Springer, Ed Liddle, Bud Polzin, Dr. Walton Prescott, Audrey Welch, Mae Springer, Wanda Brooks, Unadell Crawford, Pearl Draney, Louise Walter, Pearl Sigg, Minnie Wagner, Henry and Midge Smith, Jacque Black and Ella Rae Fulton.

Thanks was extended to the Nevada Lodge and Carlton Konarske for space, Al Katausky, chef, for coffee, Mike Plevel for donuts and the Washoe County Sheriff's for a trip to Reno for more vaccine. Two more clinics will be held, one in September and one in November.

Reported on a helicopter ride recently. Interesting fact has come to light. Just before the take-off to Reno the motor wouldn't start, and it was necessary to call AAA service and Robie Robinson. A first service of this kind for the AAA.

Regardless of anyone's political affiliation, it was most gratifying to see an active Young Republican at work in Tahoe Vista last week. Joel Sigismund, son of Isabelle De Luque of Tahoe Vista, a freshman at Tahoe Truckee High School, called on residents with

Nixon literature. The facts he presented were concise, his background on political affairs both statewide and nationwide excellent, and any adult discussing these matters with him should have been spurred to action, or greater efforts.

George and Dean Phillips have returned from the bay area and back to Tahoe Vista. Dean has been confined with a sinus infection, however recuperating nicely.

Vince and Pearl Kientz of Kings Beach have been entertaining

Vince's niece and husband, Louis and Evelyn Rosinski of Manhattan Beach this past week.

Honeymooning at Kings Beach were the Bill McMurtreys of Van Nuys. The bride is the former Janet Aueth of Sherman Oaks. Bill is the son of Virginia Benawa former Kings Beach resident. The Benawas will be remembered also businesswise having had a printing shop in Kings Beach.

The McMurtreys are also visiting relatives, Robie and Gwen Robinson and Jack and Velda Farris of Kings Beach.

Five generations under one roof at the home of Robie and Gwen Robinson of Kings Beach. Mrs. Cora Evans of Van Nuys and daughter, Mrs. Pauline Kolb of North Hollywood, Gwen Robinson, Shirley Robinson, and baby Jamie Robinson, are the five mothers. No doubt the cameras are working overtime.

Mr. and Mrs. John A. Phillips and children, Dareth and Johnny of Silverton, Oregon, and Mr. and Mrs. Harold Green of Auburn were guests of Bethel Van Tassel at Tahoe Vista on Friday.

Mr. and Mrs. S. S. Richards of Oakland are visiting daughter and family, Ted and Peggy Lewis, at the Highlands.

Beverly Newell of Kings Beach and Barbara Bergman of Reno were called to Hayward last weekend due to the serious heart attack suffered by their father, Charles Brodeur. Although Mr. Brodeur has been on the critical list his condition is improving.

VFW Auxiliary of Post No. 7077 were invited to a sewing circle at (Continued on Page 6)

home of past president, Pearl Draney, at Incline Beach. Auxiliary members enjoying the evening's activities were Bernita Jones, Nola Elliott and Louise Walter.

Women's Club of North Tahoe installed their new officers on Monday at the home of Mrs. L. S. (Elizabeth) Streeper at Tahoe Vista. Luncheon preceded the installation. Outgoing officers, Pearl Kientz, president; Alice Hall, vice president; Jetta Stewart, second vice president; Mabel Coulter, treasurer; Louise Walter, secretary, were presented with gifts in appreciation of their efforts in behalf of the club by past president, Bethel Van Tassel.

Past president, Pearl Draney, installed the new officers, Mabel Coulter, president; Louise Walter, first vice president; Jetta Stewart, second vice president; Dorothea Whitley, treasurer; Nadine Neugebauer, secretary.

The membership voted to join the Lake Tahoe-Sierra Chamber of Commerce. Members of the Women's Club have actively supported the chamber of commerce in the past, but this is the first time the club has been a paid member of the organization.

The club also voted to send \$25 to the fund for the Stevens-Anderson families at Tahoe City. Mrs. Marie Da Valle of Kings Beach made an additional donation of \$5 to the fund. Cards are being sent to Mrs. Anderson who is still hospitalized at the Tahoe Forest Hospital.

The club will be inactive as to monthly meetings until September. However, the group is planning another fashion show at the North Shore Club for July. This affair will be a benefit for the Fire Departments of Kings Beach and Crystal Bay. Date set is for Thursday, July 12 with John and Jean Palmer of Riviera Resort Clothes Shops doing the fashions. Jacquie Black of Incline Beach will be in charge of models and assist Jean in the selection of the clothes to be shown. Committee for the show will be announced.

Happy birthday to Jetta Stewart of Tahoe Vista who celebrated her natal day on May 28.

Dr. E. Blair of Arabia was a guest of Jimmy and Emmajean Hume of Crystal Bay last week. Luncheon at the North Shore Club was enjoyed by Dr. Blair and Pearl Draney with their hostess, Emmajean.

Dr. Blair's nephew is a former resident of Agate Bay, Marsh Gordon, who is now a Reno resident.

Ruth White of Kings Beach is under observance at St. Mary's Hospital in Reno. Having had several operations on her hand, it is hoped treatment will forestall major surgery.

Johnny and Madeline Bates, and Mrs. Pauline Meyers of San Bernardino were house guests of Mrs. Meyer's daughter and husband, Mr. and Mrs. W. L. Bates, at Kings Beach for several days last week.

Over halfway 'round the world according to post card from H. E. and Anne McCoskey of Incline Beach. A nice flight from Rome to Paris over the Alps and Matterhorn. Sunday in London and after a couple of days take the flight over the Polar Route headed home.

A baby shower was given by Pat Crow, Paula Gurney, Gwen Brockelsby and Virginia Casella at the Crow home at Crystal Bay last week for Mrs. Al (Anna) Burghardt of Tahoe Vista. Those present were Chris Hoffman, Reno Jo Klinggaard, Clara Parsons, Virginia Parsons, Helen Chanda, Millicent Quartley, Bertha Burghardt, Eileen Wilen, Janet Ellison, Julie Von Ruden, Virginia MacDonald, Rita Weiss, Theresa Sutton, Jeri Rayburn, Marilyn Fugazi and Alice McDonald.

Happy birthday to Gail Burghardt, daughter of Al and Anna Burghardt of Tahoe Vista who celebrated her 11th birthday on May 30.

Tahoe Vista were Sacramento visitors on Thursday.

With the beautiful summer weather the past few days thoughts of summer residents are centered on opening their Lake Tahoe homes. Among those are the John Breeds of San Francisco who have their home at Incline Beach.

The Dick Graves Incline Beach home has also been opened and they will be commuting from Carson City to enjoy summer at Lake Tahoe.

Lester D. Summerfield of Reno has his Incline Beach home ready for the family.

Miss Henrietta Moffatt of San Francisco is back to her Brockway residence.

The John Doyle family of Chicago have returned to their Crystal Bay summer home.

Coming from Sacramento to Brockway is the family of Milford Mills, and from San Francisco to Crystal Bay is the J. E. Snelson family.

The Jerry Gordons of San Mateo were Kings Beach visitors last week visiting Don and Nelle Barkhurst at Brockway among other friends. The Gordons were former residents of Kings Beach and owned the local hardware store.

Fred Baker Excavating Bowling team won second place in the Snow Belles League. The sponsor entertained his team and their husbands at a dinner at the Holiday in Reno. Attending the dinner were Aaron and Catherine Abbott, Harvey and Pearl Martin, Bill and Dottie Martin, Don and Nelle Barkhurst, John and Ruby Clackett, and the host and his wife, Fred and Rose Baker.

Mr. and Mrs. M. H. Dodd of Carleton Bay have their summer vacation planned to the last detail and it sounds wonderful. Plane trip from Reno Vancouver, boat to Skagway, train to White Horse, and Lake Bennett, back to Vancouver, boat to Victoria, back to Seattle, will see the Fair. Then jet to Los Angeles, helicopter to Disneyland, visit to friends, and back to Reno via jet. Friends will have a summer vacation at the Dodd residence during their absence.

House guests of David and Pat Crow of Crystal Bay the past week were Margaret Hogan and children, Nadine, Colleen and Erin, of San Francisco.

Henry Cherry of Cal Neva advises that the electricians strike

did not delay construction and all is going as scheduled. June 15 is set for the casino and lounge opening with Kelly Green. Entertainment schedule for the new show room is June 2 to July 5, Frank Sinatra; July 6-19, Lena Horne; July 20-26, Red Skelton; July 27 to Aug. 2, Dean Martin; Aug. 3-9, Eddie Fisher; Aug. 10-16, Joe E. Lewis; Aug. 17-22, mystery guest; Aug. 24-30, Vic Damone and Dick Shawn; Aug. 31 to Sept. 6, Frank Sinatra.

Overnight outing was greatly enjoyed by the fifth grade class of Sandy Hanna. Leaving on Friday morning and returning Saturday morning, the class took sleeping bags, extra clothing and all food for the camp out which was held on the property of Mr. and Mrs. Jerry Batt at Crystal Bay. Chaparones were George Culver, Ray Smith, school nurse, Ruth Knight and Sandy Hanna.

Children participating in the camping trip were Steve Holley, Mike Hill, Candy Ehlers, Sharon Roberts, Madelyn Mullis, Sandra Martin, Pieter Van Tasssel, Wim Smith, Monte Neugebauer, Stan Mason, Cindy Plunkett, aChy McIntire, Steve Krips, Jennie Hoffman, Tommy Hull, Randy Hiatt, Dwight Combs, Ellen Dennis, Combs, Ellen Dennis, Kathy Critchley, Lana Cheney, Gail Burghardt, Charlene Bardo, Mickie Barker and Lee Batt.

Thanks is extended to the chaparones and the Batts for making the trip possible and giving the children the wonderful time.

Might add that several mothers were somewhat distressed with the pets which some of the children returned home—baby lizards.

Irvin Perlman of Chicago has moved to Crystal Bay from Chicago. His family will join him shortly. Mr. Perlman will be pit boss at Cal Neva this summer.

Flash to Fran Sinatra fans. Frank Sinatra will arrive June 22 at the Cal Neva to enter the golf tournament at Brockway. This is the second annual North Shore Tahoe Invitational Golf Tournament to be held at the Brockway course, June 22, 23 and 24. The 21st is for practice. M. E. Pendleton is chairman of the event which is sponsored by Cal Neva Lodge, Crystal Bay Club and the North Shore Club.

## DIVOT-DIGGERS

By BETTY KIELHOFFER

How-do. Just a short report this week to let you know that we're having a BIG meeting next Monday evening at 8 o'clock in the fire house. Jackie Jensen will be there to meet all the people and will be most happy to give us a talk concerning the golf course and what they have planned.

This is a swell chance to get everything first hand so whether you golf or not, come on over and listen.

Orf DeLuca will also be there to give a short talk on the where's and why-fors of golf etiquette on the course. All children who are interested in golf should make it a point to come so they can get acquainted with the finer points of the game. There are certain rules that must be followed to make the sport enjoyable for all concerned and how are they going to know if not instructed?

Our president, Bob Moore, says there will be refreshments after the meeting and he will arrange plenty of seating space. The new owners are going to quite a lot of expense to improve the course and facilities, not only for their benefit but to make the course attrac-

tive to more and more out-of-town guests. All this will help other businesses in the area so the least we can do is fall in behind them and help give it a boost.

Some of the fellows in the club have been helping in various ways just as they did before and have received the appreciation of Jackie and Alex.

I'm way behind schedule this week so will make this short . . . now that Walt has moved the Sierra Sun all the way to Gateway, I'll have to dash out there with the article . . . if you haven't seen his new quarters, run in the first chance you get. I really don't know how he got along in the limited space he was in after seeing the new one. REMEMBER—come to the Country Club meeting Monday night, June 11.

Jody and the Jesters will be featured in the spotlight at the Nevada Lodge's theater-lounge through June 21.

## BONANZA CREW TO REVIVE INDUSTRY

CRYSTAL BAY — "Bonanza", popular television show featuring the Cartwright family and their Ponderosa Ranch, will revive an 80-year-old industry at Incline Village next week.

Technicians of the company will build two sections of flume, exact replicas of those used in Lake Tahoe logging in the 1880's, for a Cartwright family episode built around lumbering operations at their fictional ranch.

The entire "Bonanza" company and cast also will again film exterior scenes at Incline Village early June as they did last year. The scenes will be used throughout the coming 1962-63 television series.

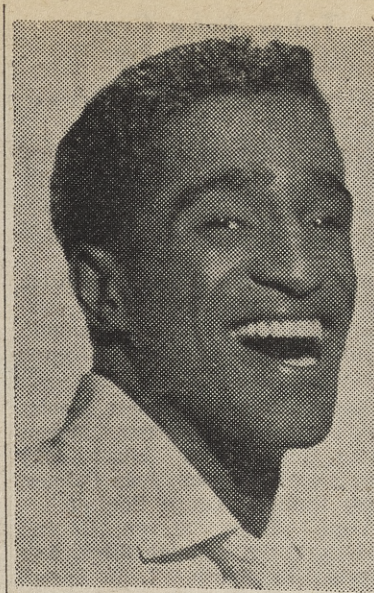

The flume building and logging operations, however, will be filmed with the actors playing their roles at the actual location of a single episode called "The Quest," according to David Dortort, producer.

Two complete production units will be at Incline Village, Dortort said, so that the exterior scenes, to be used throughout the next series, can be filmed simultaneously with "The Quest."

The story involving timber flumes is based on actual logging methods used on the shores of Crystal Bay when the mountains around Lake Tahoe furnished much of the timber used in the mines at Virginia City.

Location for the film scenes at Incline Village will in fact be not far from the actual site of the old Incline Creek mining camp of the Hobart and Marlette lumbering empire of the 1870's and 80's.

Flume construction for the "Bonanza" scenes will follow actual construction plans unearthed by the television series' research staff.

HARRAH'S STAR — Sammy Davis, Jr. (above), the great all-around performer, will return as star of the South Shore Room show at Harrah's Tahoe for five nights starting June 13. He was a solid success as headliner in the big theater restaurant earlier this year.

## Fibreboard Fights Attack By Insects

Fibreboard Paper Products Corporation this week announced plans to begin sanitation harvest operations at its Lake Tahoe Tree Farm acreage near King Beach and Brockway. A minor insect attack has been discovered in a small area of mature and over mature ponderosa pine timber stands, according to Paul E. Shively, Fibreboard's chief forester.

The area involved is not large, Shively said, and about a million board feet of standing sawtimber will be harvested in the sanitation operation.

"We will be moving in to attempt to check the spread of the attack," Shively stated. Removal of the infested trees will help the residual stands to remain vigorous and to provide successive tree crops.

"These outbreaks occur in nature from time to time and our timber management program is geared to meet such contingencies," Shively said. "For instance, we have been watching this general area since 1957 when it first became evident that insects were present in epidemic proportions in the adjacent Crystal Bay area."

"We had hoped that natural predators would take over or that a die-off would occur to reduce the threat to our timber here. However, the exceptionally dry conditions of the past few years have been favorable to insect build-up so it has become necessary for us to provide the control measures," Shively said.

Shively was recently accompanied on an inspection of the area by entomologists Ralph Hall and George Downing, from the U. S. Forest Service Region 5 office in San Francisco; Knox Marshall, chairman of the California Pest Control Action Council and forest engineer, Western Pine Association; and Fibreboard's forest superintendent from the Truckee headquarters, Robert Krohn.

The chief insect villain has been identified as *Dendroctonus brevicornis* commonly known as the Western Pine Beetle—which attacks mature and over mature ponderosa pine, but leaves more vigorous second growth timber alone.

Entomologist Ralph Hall explained that the Western Pine Beetle spreads in a patchwork fashion. Eggs hatch in a host tree, then as the insect goes through the various stages of its life cycle, the adults leave the host tree as a brood, moving to another, where the cycle starts all over in a new host tree. Thousands of insects are involved in each flight.

"Each mature beetle will deposit from 50 to 60 eggs," Hall said. "The

population build-up and the effect on mature timber stands, become increasingly critical unless control measures are taken quickly."

Only about 40 acres of Fibreboard's Lake Tahoe Tree Farm is currently involved. The entomologist's report stated that many trees are not infested and will not have to be removed.

PLANTING TROUT

Fisheries management personnel of region 2, of the state fish and game department, this week was scheduled to plant catchable trout in the following local waters: Donner Creek, Donner Lake, Truckee River and Little Truckee River and the South Fork of the Yuba River.
